RAJYA SABHA

(b) if so, the details of the action taken thereon, so far; and

(c) by when the above said KVK is likely to be set up?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE;
(SHRI KANTILAL BHURIA): (a) to (c) The proposal for establishment of a Krishi Vigyan Kendra (KVK) at Karamchedu in Andhra Pradesh was received in the Indian Council of Agricultural research during 2003. Since, the Government has approved for establishment of one KVK in each of the rural districts of the country, a full fledged KVK has been sanctioned at Darsi during 2004 for which additional land has also been provided by the Government of Andhra Pradesh. There is no proposal for establishment of a second KVK in the district.

Sowing of wheat

†422. SHRI RAM JETHMALANI:

DR. MURU MANOHAR JOSHI:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that wheat has been sown on 280 lakh hectares of land under kharif crops during 2006-07, which is higher than the previous year;

(b) if so, the facts in this regard and the area of wheat sown in hectares of land compared to the previous year;

(c) whether it is also a fact that the production of wheat would be higher this year due to its sowing on the area of land larger than that of the previous year;

(d) if so, the facts in this regard;

(e) whether there is any assessment of increase in the rate of production of wheat this year in any State in comparison to the last year; and

(f) if so, the names of such States and the percentage of such increase in production of wheat?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE
(SHRI KANTILAL BHURIA): (a) and (b) As per the 2nd Advance Estimates
